Bee Alert Sample:

\_\_\_\_\_

(yyyymm - #####)

Bee Alert Technology, Inc.

Honey Bee Colony Sampling Form

Each bee sample should include at least 60 bees in a clean, sealed, plastic bag (250-500 bees for more than one type of analysis). Mark the outside of the bag with your name, hive number, age group of bees, and date. Include a completed copy of this form for each sample. Refrigerate sample (don't freeze or put in alcohol). Send samples by overnight delivery in an insulated box with frozen gel packs (Blue Ice) to: **Bee Alert Technology, Suite 1, Rodgers St, Missoula, MT 59812. Call before shipping: 406-541-3160.**
